

HOME SCHOOL AGREEMENT  
2015-16

The purpose of this document is to identify the responsibilities of the school and what the school expects of the pupils and parents who are part of the St. Faith's School community.

This Home School Agreement has been created jointly, with input from staff, pupils, parents and governors; reflecting contributions from all stakeholders. Additionally, we hope that it helps to demonstrate our commitment to a strong partnership between home and school.

To confirm your support of the principles set out in this agreement, please sign both copies and return one to the school office, which will be placed with your child's individual records.

Please retain the second copy for your personal reference.

Thank you
