Dear Parents

**Re: Online General Parent Survey**

I would be really grateful if you would take 15 minutes to complete an online parent survey for us so that we can find out what you think about different aspects of school life and act upon findings as necessary. The findings will provide information to support the school self-evaluation process and we will communicate the outcome to you when we have it.

Many of you completed the Parent Communication Survey last year and we changed a number of things as a result, such as the update of the school website and the information on it, the new parent calendar of events on the website and the school blog.

Obviously the more people who complete the survey, the truer the picture will be, so I would really appreciate it if you could all carry out the online survey even if you don't feel you have much to say!

I am attaching all of the information that you require to complete the survey. You are very welcome to come into school to use one of our computers to do so if you prefer. Please could you complete the survey by 10<sup>th</sup> July.

Do contact us if you have any questions at all.

Yours sincerely

Dawn James
