12th September, 2014

Dear Parents,

Beginner Recorder Group September 2014

I shall shortly be starting a new beginner recorder group aimed mainly at children from year 3 and 4. These lessons will take place on Friday lunchtimes. Learning the recorder is an excellent introduction to playing an instrument and reading music so we like to give this opportunity to as many children as possible.

Learning to play any instrument requires a level of commitment and some regular practice. While some children are highly motivated to do this alone, most will need a little help and encouragement from an adult. Your help is most valuable even if you do not play an instrument or read music. I am always happy to discuss any difficulties you may encounter!

The children will need an Aulos school descant recorder and a plastic wallet or folder in which to keep music sheets. The children will also need the following recorder book: Red Hot Recorder Tutor Book 1 by Sarah Watts. The book comes with a practice CD and is available from music shops or online. I have seen prices varying from £5.99 to £7.99 so it is wise to look around!

Yours Sincerely

Christine Harding

I would like my child _____ to learn to play the recorder in school and agree to purchase the required recorder and book.
