Dear Parents/Guardians

**Keeping children safe online**

We know that the world our children live in is changing all the time and that computers, mobile phones and the internet all provide exciting new opportunities for them. We also know that they present some risks; parents need the best possible information to keep children safe.

As such, the Kings' School Partnership has organised a presentation for parents of children in Years 5-7 on the subject of internet safety. The talk will take place at Kings' School on Monday 9th March, beginning at 6pm and lasting around 90 minutes. There is no charge for this event and all parents of children in Years 5 and 6 are extremely welcome.

Yours faithfully

Dawn James  
Head teacher
