

Dear All,

Thursday 6th November

Hello! We are the Puzzle Team and we are introducing the new weekly puzzle! You will be able to collect this week's puzzle from the corridor outside Saturn and take the puzzle home to complete.

When you think you have the answer to the puzzle, put it into the Solution Box. Every Thursday we will check the answers and everyone who gets all the correct answers will be awarded a House Point. The correct solutions will then be put into a draw and the one pulled out will be rewarded with a certificate. The certificate will be presented in Achievement assembly.

Put your own name on the Infant and Junior puzzles and the family name on the Family puzzle. Make sure your class is on your puzzle as well. Try as best you can not to use the Internet (you can though if you're really stuck!!).

The puzzles will be ready on a Friday and you need to hand them in by the following Thursday.

We hope you have fun! Let us know what you think.

Best wishes

Freya, Elsa and Noah (The Puzzle Team)
