Education Trip – The New Forest Centre

As part of our Forest Study, a workshop and trip has been arranged.

On the morning of Monday 29th September Saturn will take part in a workshop in school, led by a teacher from the New Forest Centre. Various activities have been planned to give the children a good background and understanding of the history and management of the New Forest in preparation for our visit.

On Tuesday 7th October we will visit the New Forest Centre. The morning activities will consist of an interactive session (including role play) in the Verderer's Court in Lyndhurst. Afterwards, we will return to the New Forest Centre Museum to study the displays. The children will also have the opportunity to visit the gift shop. (Suggested £5 maximum spending)

At the end of the morning session the coach will take us to Bolderwood Car Park for our packed lunch in the picnic area. The afternoon session consists of a circular walk, "Humans and the New Forest", led by staff from the Centre. During this walk the children will be able to record their findings using digital cameras and dictaphones.

The children should come to school in sensible, casual clothing and they must bring a **waterproof coat** and packed lunch. (No cans or glass bottles please) If it is very wet, we will be able to have our lunch in the Museum before going to Bolderwood, but the walk will take place whatever the weather! Children may also wish to bring their own cameras. Photos from this trip will be used for our art and ICT work this term.

The coach will leave school promptly at 9am and return for the end of the school day.

We are asking for a voluntary contribution of £16 to cover the cost for the workshop in school and trip.

Yours sincerely

Mrs A Landen
